

## How to Create an Oracle Account

Each faculty member must create an Oracle Account. This account will allow faculty to sign into the Oracle Academy member website once their membership registration has been processed. The member website is where faculty will access [membership benefits](#).

- It is important that each faculty member create their own Oracle account to ensure passwords remains confidential.
- Faculty must use the same email address provided to Oracle Academy by the ministry when creating their Oracle account. This is necessary as the email address is used to identify members and allow them to sign in once their membership has been activated.

1. Go to <https://profile.oracle.com>
2. Click **Create Account**

The screenshot shows the Oracle Academy Sign In page. The page has a red header with the Oracle logo. The main content area is white and contains a 'Sign In' section on the left and a 'Don't have an Oracle Account?' section on the right. The 'Sign In' section includes a 'Username' field with a placeholder 'Your username is usually your email address' and a 'Forgot Username?' link, a 'Password' field with a 'Forgot Password?' link, and a red 'Sign In' button. Below the 'Sign In' button is a 'Need Help?' link. The 'Don't have an Oracle Account?' section includes a paragraph of text: 'A free Oracle Account gives you access to Oracle online applications and services, support, events, communities, and more.' Below this text is a grey 'Create Account' button. A blue arrow points from the 'Create Account' button in the right section to the 'Create Account' button in the left section.

3. Complete all fields
