

Uputstvo za instalaciju LibreOffice programa

Da bi downloadovali besplatan LibreOffice program potrebno je da otvorite link <https://www.libreoffice.org/>

Kliknite na dugme DOWNLOAD NOW.

Otvoriće se prozor kao na slici.

The screenshot shows the LibreOffice download page. At the top, there's a green header bar with the LibreOffice logo and navigation links like 'DISCOVER', 'DOWNLOAD', 'GET HELP', 'COMMUNITY', 'EVENTS', 'ABOUT US', and 'DONATE'. Below the header, a message says 'Users interested in taking advantage of our most innovative features should download and use our fresh version.' To the right, there's a button labeled 'GOOD LOOKING DOCUMENTS' with a smiley face icon. The main content area has a green background. It features a large green button labeled 'DOWNLOAD VERSION 5.1.3'. Above this button, it says 'Selected: LibreOffice 5.1.3 for Windows - change?'. Below the button, it says '211 MB (Torrent, Info)'. A red arrow points from the text 'Kliknite na dugme DOWNLOAD VERSION 5.1.3' to this button. Further down, there's a section titled 'LibreOffice Built in help in English (US)' with a green button labeled 'HELP FOR OFFLINE USE' and a link '5 MB (Torrent, Info)'. On the left, there's a section for 'SDK and Sourcecode' with links to 'Download the SDK' and 'Download the Sourcecode'. On the right, there's a sidebar with links to 'LibreOffice for other operating systems', 'LibreOffice in other languages', 'How do I install LibreOffice?', 'System requirements', and 'Extensions'. Below that is a section titled 'Download' with links to various LibreOffice versions and formats.
